This school will offer you teaching and training in the gift of prophecy, word of knowledge and wisdom, to raise prophecy to another level of revelation and impact. There will also be several practical workshops giving participants the opportunity to put into practice what they are taught and receive prophetic revelation encouragement and comfort from others.

"I was stunned to experience receiving accurate prophetic knowledge about a person I did not know in the workshop. Since then God continued to use me in this way. Praise God!" M. L

"I was amazed at the prophetic ministry of Damian and the team from Cor et Lumen Christi Community. Their prophetic ministry to me was extremely accurate and has changed my life." N. C.
